Youth Policy Outside of Recreational Swim Times:

Youth under the age of 18 may use the open lap lanes in the Lap Pool outside of recreational swim times under the close and direct supervision of an adult guardian. Youth may not use any other pool (except the wading pool) before 11:00 a.m. unless they are participating in a specific lesson or program. After 11:00 a.m., youth may be allowed in the other pools as space allows when accompanied by an adult who provides close supervision as long as they do not interfere with other users, scheduled classes, or lessons.
