Candy's Corner

I just want to take a minute to thank all of you who came and helped at our Gigantic Rummage Sale. Don Berg was brave enough to volunteer to Chair the event, and all those who came, hauled the items over from the storage, those who helped unload and arrange the items, those who priced the items, and all of you who either donated items, or came and bought some of the great stuff we had, THANK YOU!

Also, just so you know, our Michele has started the Dallas Intercommunity Activities Network, Dallas ICAN, a new community-based non-profit. She is planning to stick around and keep helping us out through this new organization, as much as she can. She has taken on the direction of all those programs for kids, and families and Seniors that the City was just going to eliminate. I for one am pretty happy about that! Share the enclosed registration with a grandchild or other friend who might like to have some fun this summer!

May Jam Was Wild!

If you missed the May Music Jam, you missed plenty! We had some stellar performances by our postal carrier friend Ron Sherwood and his dad Smiley! Our friend Dennis Chiles backed us up with his friend Bobby Aster on the harmonica. Betty Krebs-Brennen led a fantastic "God Bless America", and Dixie Gouge led a moving "Let there be Peace on Earth" both in gratitude for our servicemen and veterans who have kept our country safe and free. I really have to hand it to Walt Hildebrand, who I challenged with some music he had never heard before. It is such great fun to sing with him. Our old buddy, Tim Moynahan led us in just 7 verses of "Roll on Columbia". It was great to see him back with us. Lucille's Patsy Cline was right on the money, too! There were so many great performances, including our Leopard Ladies, that well, it was just fabulous. We'll fire it up again in the Fall. Join us!
